### Which advantages does TestAS offer?

- With good exam results, university applicants can improve their chances of being accepted to German universities.
- Participants learn about typical requirements of their chosen field of study.
- On the basis of the examination results, students can realistically assess whether they will be able to complete a study program at a German university.

After the application and payment of the examination fees, you will receive a TAN for registration, which you have to use to register on [www.testas.de](http://www.testas.de) by the end of the application deadline. A cancellation of your application is only possible within the application period. Each participant can cancel their registration to the test within 14 days of their application for free (cancellation period). Upon expiry of this 14-day cancellation period, we will charge an administration fee of 25€ when cancelling the participation in the test. The remaining examination fees will be refunded. The GENERAL TERMS AND CONDITIONS OF THE GESELLSCHAFT FÜR AKADEMISCHE STUDIENVORBEREITUNG UND TESTENTWICKLUNG E. V. (g.a.s.t.) apply.
